SECTION I

1.1.0 BRIEF PARTICULARS OF THE WORK

1.1.1 Salient details of work for which bids are invited are as under:

Sl. No.	Name of work	Estimated cost (approx)	Earnest Money	Period of completion
1	Construction of sluice regulator at Dusutimukh & Associated works (under Borbhag Drainage Development Scheme).	Rs.763.96 lakhs	2% of estimated value	18 months

1.1.2 The work is situated at Dusutimukh (on Suthajan Channel) in Borbhag Village under Borbhag Revenue Circle, Nalbari District, Assam.

1.1.3 General features and major components of the work are as under:

- i) PCC in prop. 1:3:6 = 947.06cum
- ii) RCC (M 20) = 4604.85 cum
- iii) RCC (M 30) = 36.48 cum
- iv) Reinforcement (TMT bar)= 47.94 ton
- v) Earthwork in excavation for foundation & diversion channel= 88985 cum
- vi) Earthwork in filling in embankment & approach= 59563 cum

1.1.4 Work shall be executed according to General Conditions of Contract for CPWD Form-8. The bidder may see the General Conditions of Contract of CPWD Form-8 in the office of the Chief Engineer (I&W) during office hours.

Chief Engineer(I&W),
Brahmaputra Board

SECTION-II

2.0.0 INFORMATION AND INSTRUCTIONS TO BIDDERS

2.1.0 GENERAL

- 2.1.1 Letter of transmittal and forms for deciding eligibility are given in Section-III.
- 2.1.2 All information called for in the enclosed forms should be furnished against the relevant columns in the forms. If for any reason, information is furnished on a separate sheet, this fact should be mentioned against the relevant column. Even if no information is to be provided in a column, a “nil” or “no such case” entry should be made in that column. If any particulars/ query are not applicable in case of the bidder, it should be stated as “not applicable”. The bidders are cautioned that not giving complete information called for in the application forms or not giving it in clear terms or making any change in the prescribed forms, or, deliberately suppressing the information may result in the bid being summarily disqualified.
- 2.1.3 The bid should be type written. The bidder should sign each page of the application.
- 2.1.4 Overwriting should be avoided. Correction, if any, should be made by neatly crossing out, initialing, dating and rewriting. Pages of the eligibility criteria document are numbered. Additional sheets, if any added by the contractor, should be in bidder’s letterhead, numbered and signed by him. They should be submitted as a package with signed letter of transmittal.
- 2.1.5 Reference, information and certificates from the respective clients certifying suitability, technical knowledge or capability of the bidder should be signed by an officer not below the rank of Executive Engineer or equivalent.
- 2.1.6 The bidder may furnish any additional information which he thinks is necessary to establish his capabilities to successfully complete the envisaged work. He is, however, advised not to furnish superfluous information. No information shall be entertained after submission of eligibility criteria document unless it is called for by the Employer.
- 2.1.7 Any information furnished by the bidder found to be incorrect either immediately or at a later date, would render him liable to be debarred from tendering/ taking up of work in Brahmaputra Board.
- 2.1.8 A pre bid conference will be held on **30.05.2011 at 11.00 p.m.** with the intending bidders for clarification of any doubts of the intending bidders or for modification on any condition of the contract, specification etc. Minutes of the meeting will be circulated to all bidders.

2.2.0 DEFINITIONS:

2.2.1 In this document the following words and expressions have the meaning hereby assigned to them.

2.2.2 “BOARD” shall mean the Brahmaputra Board, Ministry of Water Resources, Government of India, with Head Quarters at Basistha, Guwahati, Pin Code No. 781029, Assam.

The Brahmaputra Board is a statutory Body set up by Government of India in Dec’1981 under Brahmaputra Board Act. 1980 (4 of 1980) with the object of preparing Master Plan for control of floods and bank erosion and improvement of drainage in the Brahmaputra and Barak Valley for irrigation, generation of Hydropower, navigation and other beneficial purpose.

The Board has multi-disciplinary functions. The jurisdiction of Board covers Brahmaputra River and its tributaries in all the North Eastern States including Sikkim & North Bengal.

In this document Board shall mean competent officers of Board.

2.2.3 “Employer” means the President of India acting through the Chief Engineer (I&W),

Brahmaputra Board.

2.2.4 “Bidder” means the individual, proprietary firm, firm in partnership, limited company private or public or corporation.

2.2.5 “Year” means “Financial Year” unless stated otherwise.

2.3.0 METHOD OF APPLICATION

2.3.1 If the bidder is an individual, the application shall be signed by him above his full type written name and current complete address.

2.3.2 If the bidder is a proprietary firm, the application shall be signed by the proprietor above his full typewritten name and the full name of his firm with its current address.

2.3.3 If the bidder is a firm in partnership, the application shall be signed by all the partners of the firm above their full typewritten names and current addresses, or, alternately, by a partner holding power of attorney for the firm. In the later case a certified copy of the power of attorney should accompany the application. In both cases a certified copy of the partnership deed and current address of all the partners of the firm should accompany the application.

- 2.3.4 If the bidder is a limited company or a corporation, the application shall be signed by a duly authorized person holding the power of attorney for signing the application accompanied by a copy of the power of attorney. The bidder should also furnish a copy of the Memorandum of Articles of Association duly attested by a Public Notary.
- 2.3.5 Application supported by prescribed forms and the financial bid shall be placed in three separate envelopes and marked as 'Eligibility documents', 'Technical bid' and 'Financial bid' separately. The three envelopes should be submitted together in another sealed envelope subscribing "Construction of sluice regulator at Dusutimukh & Associated works (under Borbhag Drainage Development Scheme)". The same will be received by the Chief Engineer (I&W) up to 3-00 p.m. on **07.06.2011** and the 'Eligibility documents' will be opened on the same day at 3-30 p.m. in presence of intending bidders/ authorized representative. The PQ bid of eligible bidders as per initial criteria will be opened within 15 (fifteen) days from opening of 'Eligibility documents' or as notified later on. The time and date of opening of financial bid of Pre-qualified bidders will be communicated at a later date. **The earnest money and cost of tender paper (who has not paid already) should be enclosed in the envelope containing the documents of eligibility criteria, in absence of which the other two envelopes will not be opened.**
- 2.3.6 The bidders are advised to go through the detailed terms & conditions of CPWD Form-8 which may be seen in the Technical Branch of Chief Engineer (I&W). The condition of clause-18 of Notice Inviting Tenders of CPWD Form-8 is not adhered to as the tender is invited in three-bid system.

2.4.0 Final Decision Making Authority

The employer reserves the right to accept or reject any bid and to annul the process and reject all bids at any time, without assigning any reason or incurring any liability to the bidders.

2.5.0 Particulars Provisional

The particulars of the work given in Section-I are provisional and must be considered only as advance information to assist bidders.

2.6.0 Site Visit

The bidder is advised to visit the site of work, at his own cost, and examine it and its surroundings to him to collect all information that he considers necessary for proper assessment of the prospective assignment.

2.7.0 INITIAL CRITERIA FOR ELIGIBILITY

The initial criteria prescribed in this Para as discussed below will be scrutinized at first and then the bidder's eligibility for the work will be determined.

2.7.1 The bidder should have experience of successfully completed works as given below during last 7(seven) years ending last day of the month previous to the one in which applications are invited. For this purpose cost of work shall mean gross value the completed work including cost of material supplied by the Govt. /Client but excluding those supplied free of cost. This should be certified by an officer not below the rank of Executive Engineer/Project Manager or equivalent.

- a) 3(three) similar completed works each costing not less than the amount equal to 40% of the estimated cost put to tender. Or,
- b) 2 (two) similar completed works, costing not less than the amount equal to 50% of the estimated cost put to tender. Or,
- c) 1(one) similar completed work of aggregate cost not less than the amount equal to 80% of the estimated cost put to tender.

(Similar work means construction of Sluice, RCC Bridge, and Culverts).

This should be certified by an officer not below the rank of Exe as per actual bill Executive Engineer/ Project Manager or equivalent.

The value of executed works shall be brought to current costing level by enhancing the actual value of work at simple rate of 7% per annum; calculated from the date of completion of last date of receipt of applications for the tenders.

2.7.2 At the time of purchase of tender, the tenderer shall have to furnish an **affidavit** as under:

“I/We undertake and confirm that eligible similar works(s) has/have not been got executed through another contractor on back to back basis. Further that, if such a violation comes to the notice of Department, then I/We shall be debarred for tendering in Brahmaputra Board contracts in future forever. Also, if such a violation comes to the notice of Department before date start of

work, the Engineer-in-charge shall be free to forfeit the entire amount of Earnest Money Deposit/Performance Guarantee”.

2.7.3 The bidder should have had average annual financial turnover (gross) not less than 30% of the estimated cost during the immediate last 3 (three) consecutive financial years. The average annual financial turnover (gross) should be duly audited by a Chartered Accountant. Year in which no turnover is shown also be considered for working out the average (Form “A”).

2.7.4 The bidder should not have incurred any loss in more than two years during the immediate last five consecutive financial years, duly certified by the Chartered Accountant.

2.7.5 The bidding capacity of the contractor should be equal to or more than the estimated cost of the work put to tender. The bidding capacity shall be worked out by the following formula:

$$\text{Bidding Capacity} = (A \times N \times 2) - B$$

Where-

A= Maximum value of construction works executed in one year during the last five years taking into account the completed as well as works in progress.

B= Value of existing commitments and ongoing works to be completed during the period of completion of work for which bids have been invited.

N= Number of years prescribed for completion of the work for which this bid is invited.

The bidders are required to submit the details of works, etc in Form “C” & “D” appended in the section-III for calculating the values of A & B.

2.7.6 The bidder should have a solvency of the amount equal to 40% of the estimated cost of the work. (Form- “B”)

2.7.7 The bidder should have up to date Income Tax Clearance certificate/PAN, Permission for Composition Amount of VAT in WC-2 form/ VAT registration Certificate, EPF registration Certificate, registration in CPWD/ Railways/ P&T/ MES/ State PWD/ Irrigation/ Water Resources/ PHE Department.

2.7.8 The bidder should own constructions equipment as per list (Form-H) required for the proper and timely execution of the work. Else, he should certify that he would be able to manage the equipment by hiring etc. and submit the list of firms from whom he proposes to hire along with affidavit.

2.7.9 The bidder should have sufficient number of Technical and Administrative employees for the proper execution of the contract. The bidder should submit a list of these employees stating clearly how these would be involved in this work (Form “F” & “G”).

2.7.10 The bidder’s performance for any similar work completed in the last seven years and in hand should be certified by an officer not below the rank of Executive Engineer or equivalent (Form “E”).

2.8.0 EVALUATION CRITERIA

2.8.1 The details submitted by the bidder will be evaluated in the following manner,-

2.8.2 The initial criteria for eligibility prescribed in Section-II (para-2.7.0) above in respect of **experience of similar class of work completed, bidding capacity and financial turnover**, etc. will first be scrutinized and the bidder’s eligibility for the work is determined.

2.8.3 The bidders qualifying the initial criteria, as set out in para.2.7.0 under Section-II, will be evaluated for the following criteria by scoring method on the basis of details furnished by them.

<u>Criteria</u>	<u>Maxm. Marks</u>
A. Financial strength (Form: A & Form: B)	:- 20 marks
B. Experience in similar nature of work during last five years (Form: C):-20 marks	
C. Performance on works (Form: E)- Time over run	:- 20 marks
D. Performance on works (Form: E)- Quality	:- 15 marks
E. Personnel & Establishment (Form: F & Form: G)	:- 10 marks
F. Plant & Equipment (Form: H)	<u>:- 15 marks</u>
Total :- 100 marks	

To become eligible for short listing, the bidders must secure at least 50(fifty) percent marks in each and 60(sixty) percent marks in aggregate. The department, however, reserves the right to restrict the list of such qualified contractors to any number deemed suitable by it.

2.8.4 Even though any bidder may satisfy the above requirements, he would be liable to disqualification if he has:

- a) made misleading or false representation or deliberately suppressed the information in the forms, statements and enclosures required in the eligibility criteria document,
- b) record of poor performance such as abandoning work, not properly completing the contract, or financial failures/ weakness, etc.

2.8.5 Financial Information

Bidder should furnish the Annual Financial Statement for the last five year (in Form: “A”) and Solvency Certificate (in Form: “B”).

2.8.6 Experience in Works highlighting experience in Similar Works

2.8.6.1 Bidder should furnish the following:

- (a) List of all works of similar nature successfully completed during last **seven years** in Form: “C” and
- (b) List of the projects under execution or awarded in Form: “D”.

2.8.6.2 Particulars of completed works and performance of the bidder duly authenticated /certified by an officer not below the rank of Executive Engineer or equivalent should be furnished separately for each work completed or in progress in Form: “E”.

2.8.6.3 Information in Form: D should be complete and no work should be left out.

2.8.7 Organization Information

Bidder is required to submit the information in respect of his organization in Forms: “F” & “G”.

2.8.8 Construction Plant & Equipment

Bidder should furnish the list of construction plant & equipment including steel shuttering, centering and scaffolding to be used in carrying out the work (in Form: “H”). Details of any other plant & equipment required for the work not included in Form: “H” and available with the applicant may also be indicated.

2.8.9 Letter of Transmittal

The bidder should submit the letter of transmittal attached with the document.

2.8.10 Opening of Financial Bid

After evaluation of applications, a list of short listed agencies will be prepared. Thereafter the financial bids of only the qualified and technically acceptable bidders

shall be opened at the notified time, date and place in the presence of the qualified bidders or their representatives. The validity of the tenders shall be reckoned from the date of opening of the financial bids. Validity of tender will be 90 (ninety) days only, for acceptance of tender after opening of Financial bid/ tender as the case may be.

2.8.11 Award Criteria

The employer reserves the right, without being liable for any damages or obligation to inform the bidder to: (a) Amend the scope and value of contract of the bidder, (b) Reject any or all the applications without assigning any reason thereof.

2.8.12 Any effort on the part of the bidder or his agent to exercise influence or to pressurize the employer would result in rejection of his bid. Canvassing of any kind is prohibited.

2.8.13 CRITERIA FOR EVALUATION OF THE PERFORMANCE OF CONTRACTORS FOR ELIGIBILITY:

Sl.	Attributes	Evaluation				
(a)	Financial Strength (20 marks) (i) Average Annual Turnover 16 marks (ii) Solvency Certificate 4 marks	(i) 60% marks for minimum eligibility criteria (ii) 100% marks for twice the minimum eligibility criteria or more In between (i) & (ii) – on pro-rata basis.				
(b)	Experience in similar class of works (20 marks)	(i) 60% marks for minimum eligibility criteria (ii) 100% marks for twice the minimum eligibility criteria or more In between (i) & (ii) – on pro-rata basis.				
(c)	Performance on works (time over run) (20 marks)					
	Parameter	Calculation for points			Maxm Marks	
	If TOR=	1.0	2.0	3.0	> 3.5	20
	(i) Without levy of compensation	20	15	10	10	
	(ii) With levy of compensation	20	5	0	-5	
	(iii) Levy of compensation not decided	20	10	0	0	

TOR = AT/ST, where AT=Actual Time, ST=Stipulated Time

Note: Marks for value in between the stages indicated above is to be determined by straight line variation basis.

(d)	Performance of works (Quality)		(15 marks)
	(i) Very good		15
	(ii) Good		10
	(iii) Fair		5
	(iv) Poor		0
